

2026 International Delegation Program

Every year, thousands of attendees gather for the Greenbuild International Conference + Expo. In an industry projected to contribute hundreds of billions of dollars to the economy each year, Greenbuild is the largest conference and expo dedicated to sustainable building & development.

The Greenbuild International Delegation Program helps international attendees get the most out of their Greenbuild experience. International Greenbuild attendees are eligible for discounted registration prices, offering access to innovative products on display in the expo hall, inspirational education sessions, unparalleled networking, and more. This program is perfect for today's green building professionals or those interested in learning more about the green building industry.

Greenbuild will take place at the Javits Center in New York, NY, on October 20-23, 2026, with Summits and Workshops running in-person on Tuesday October 20. For more information on the show, please visit greenbuildexpo.com.
