DON'T TAKE IT FROM US — WHAT ARE OUR EXHIBITORS SAYING?

"BUILDEX pays off with excellent market exposure to architects and builders, and sales which can be directly attributed to contacts made at the show."

- April Keene, Trade Show & Events Manager, NanaWall

"We achieved excellent results at BUILDEX. Through our keynote sponsorship we could drive additional traffic to our booths. Working with the western team for the BUILDEX shows has been a pleasure. They have provided us with several customized solutions that met our needs and provided excellent results. We've renewed our commitment to BUILDEX this year."

- Eric Yap, SVP Business Relations, Crawford Compliance

"We have a lot of partnerships with industries groups and trades manufactures. BUILDEX helps us connect the designers with the trade partners."

- Eric White, Mission Green Buildings

BUILDEX is one of the most diverse exhibitions that we go to. There is a broad range of vendors here, so we get a lot of exposure groups that we wouldn't normally see elsewhere."

- Corey Klimchuck, Pinchin Ltd.

"We encounter from BUILDEX members from several different business sectors. It's important we're here in person so that we can connect on a face-to-face basis with the clients."

- Kris Richard, Richelieu Hardware

"BUILDEX provided us with some good sales leads, and ongoing partnerships. It's also opened up some A&D contacts as well. Each year we do an ROI on each trade show, so many have been dropped but we continue to participate in BUILDEX based on that value."

- Bruce Cook, Business Development Executive, Dyson Canada Ltd.

"BUILDEX is a great opportunity for us to get in front of the commercial side of our business... BUILDEX gives us access to both residential and commercial Builders & Designers... It's the most complete source of leads for us and gives the ability to get in front of markets that we need to, to gain construction business in Alberta"

- Brian Mccoy, Podium Imports

"BUILDEX has been the best way for us to meet as many people from the engineers and architects that specify the products to the installers and homeowners alike. Being a new business in Canada, it's important for us to get out there and that is what BUILDEX allows us to do. That is why we are coming back for our 4th year."

- Thomas Kirk, ROMEX
