BUILD FOR THE FUTURE.

BUILDEX events are Western Canada's largest exhibition and conferences connecting the whole building industry. We unite tradition and innovation to help shape the spaces of tomorrow.

Showcase your business, generate sales leads and build your brand during this exciting time of economic evolution and development. Adopt a long-term approach, and plant the seeds for growing relationships with your target market.

Don't miss your chance to partake in BUILDEX Vancouver — the province's largest event of its kind and the the forum for all professionals who design, build and manage real estate.

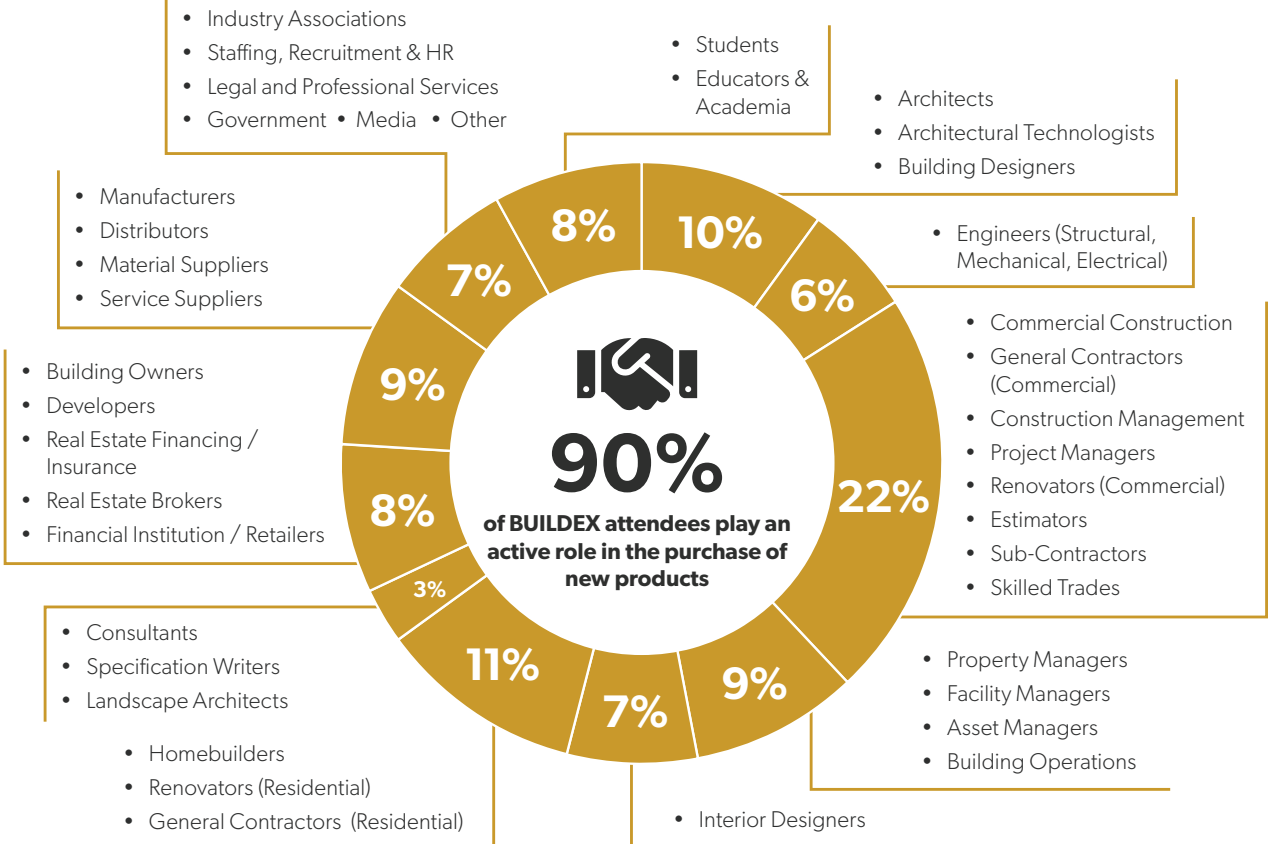

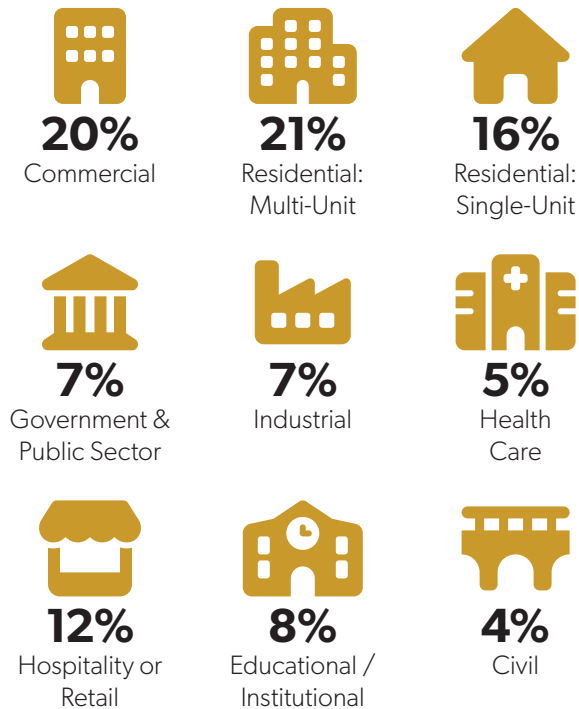

AUDIENCE DEMOGRAPHICS

BUILDEX is Western Canada's largest business-to-business event connecting the holistic building industry. Architecture, engineering, construction, design and real estate professionals attend to immerse themselves in dialogue, access continuing education, generate new business and find new suppliers. Use this unique opportunity to showcase your offerings to decision makers from all segments of the industry.

Lead Insights

Lead Insights unlocks the full potential of your event and digital campaigns through near real-time, actionable insights that help you turn your leads into customers and maximise your return on investment.

Understand who your leads are and how they have engaged with your content, enabling you to prioritise and target them with tailored follow up messaging faster and more effectively.

Target the right leads, with the right message, at the right time.

Seamless Data Collection: Our platform offers seamless integration with various data collection methods, such as badge scanning and the networking app. You won't need to do any manual data entry, instead receive accurate, real-time data capture.

Intelligent Scoring and Segmentation: We go beyond collecting data by providing you with powerful scoring and segmentation capabilities. Our advanced algorithms analyse attendee data, allowing you to identify high-potential leads, segment your audience based on specific criteria, and prioritize follow-up activities.

Personalised Communication: Engage conference attendees on a new level. You can deliver personalised communication based on attendees' preferences, interests, and interactions with you during the event to drive stronger connections and nurture relationships.

Data-driven Decision Making: Gain valuable insights from comprehensive analytics and reports generated by our platform. Uncover trends, identify patterns, and make data-driven decisions to refine your conference sponsorship strategy and achieve even greater results in the future.

Enhanced ROI Measurement: Track the success of your sponsorship investment with detailed ROI measurement. Understand precisely how your sponsorship efforts translate into tangible business outcomes.

LEAD INSIGHTS INCLUDES:

- Access to post-event 'Lead Insights' dashboard with audience information
- Leads are cleaned, validated and unified
- Leads are ranked by score to reflect the most frequent and meaningful engagement with your content
- Lead profiles are detailed with engagement data and company intelligence data
- Ability to customize filters and segments on an individual and company level
- Ability to customize lead data exports
- Ability to measure success of your campaigns through campaign insights and reporting dashboards

DON'T TAKE IT FROM US — WHAT OUR EXHIBITORS SAY:

"BUILDEX pays off with excellent market exposure to architects and builders, and sales which can be directly attributed to contacts made at the show."

– April Keene, Trade Show & Events Manager, NanaWall

"BUILDEX provided us with some good sales leads, and ongoing partnerships. It's also opened up some A&D contacts as well. Each year we do an ROI on each trade show, so many have been dropped but we continue to participate in BUILDEX based on that value."

– Bruce Cook, Business Development Executive, Dyson Canada Ltd.

"They're all senior leaders in the construction industry so to get them in one place, at one time, in a social setting is a unique experience that isn't available any other way in the construction industry."

– Philip Hochstein, Independent Contractors and Businesses Association

"With the amount of industry people, this show attracts a targeted, laser focused buying group that you just don't get at other events."

– Darwin Ortis, Westeck Windows and Doors

"We achieved excellent results at BUILDEX. Through our keynote sponsorship we could drive additional traffic to our booths. Working with the western team for the BUILDEX shows has been a pleasure. They have provided us with several customized solutions that met our needs and provided excellent results. We've renewed our commitment to BUILDEX this year."

– Eric Yap, SVP Business Relations, Crawford Compliance

"BUILDEX has been the best way for us to meet as many people from the engineers and architects that specify the products to the installers and homeowners alike. Being a new business in Canada, it's important for us to get out there and that is what BUILDEX allows us to do. That is why we are coming back for our 4th year."

– Thomas Kirk, ROMEX

BUILDEX is one of the most diverse exhibitions that we go to. There is a broad range of vendors here, so we get a lot of exposure groups that we wouldn't normally see elsewhere."

– Corey Klimchuck, Pinchin Ltd.

"BUILDEX Vancouver has been one of those shows that has proven itself to be very successful for us; driving our business on the West Coast to become very, very successful."

– Peter Altobelli, YARDI
